

Spectator Vehicle Health and Safety Protocols

I/my party agree to abide by the following COVID-19 Health and Safety Protocols

- All viewing vehicles must be in a street-legal, motorized vehicle and all vehicle passengers must have their seatbelts fastened.
- Participating vehicles must not exceed their maximum occupancy.
- If any of the windows on a vehicle is open, or if in a convertible, the occupants of the vehicle must wear a face covering when approached by event organizers, staff, public safety staff or security.
- Occupants of a participating vehicle cannot leave their vehicles except for emergency purposes.
-
